END OF EIGHT YEARS MISERY

Used Lydia E. Pinkham's Vegetable Compound and Recovered.

Newark, N. J.—"The doctor said I had an organic trouble and treated me for several weeks. At times I could not walk at all and I suffered with my back and limbs so I often had to stay in bed. I suffered off and on for eight years. Finally I heard that Lydia E. Pinkham's Vegetable Compound was a good medicine and tried it with splendid effect. I can now do my housework and my washing. I have recommended your Vegetable Compound and your Blood Medicine and three of my friends are taking them to advantage. You can use my name for a testimonial."
 —Mrs. THERESA COVENTRY, 75 Burnett St., Newark, N. J.

GLAD TO TESTIFY

Lays Watoga Lady, "As To What Cardui Has Done For Me, So As To Help Others."

Watoga, W. Va.—Mrs. S. W. Gladwell, of this town, says: "When about 15 years of age, I suffered greatly. Sometimes would go a month or two, and I had terrible headache, backache, and bearing-down pains, and would just drag and had no appetite. Then it would last two weeks, and was so weakening, and my health was awful.
 My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three. I gained, and was well and strong, and I owe it all to Cardui.
 I am married now and have 3 children. I have never had to have a doctor for trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others."
 If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not give Cardui a trial? Recommended by many physicians. In use over 40 years. Begin taking Cardui today. It may be the very medicine you need.

NO WORMS. NO FISHIN.' SAY THE IKE WALTONS

There are many fishermen in and about the city very anxious for a good, heavy rain, as they state, for the fishworms have gone to the "bottom," and there is a decided scarcity of fish bait. There are a number of parties being formed, but the trips will be postponed until a heavy rain brings the worm near the surface of the ground.

Carpenter—Burgett

A wedding, the appointments of which in point of beauty, were only equaled by the reunion of relatives and the uniting of true hearts, was solemnized Saturday afternoon at 4 o'clock at the First Christian church parsonage, when Miss Jessie Hughes Carpenter, daughter of Mr. John S. Carpenter, of Flemingsburg, became the bride of Mr. Robert Orrin Burgett, of Columbus Ohio.

The ceremony, which followed an elaborate wedding luncheon, was performed by two brothers of the bride, Rev. Homer W. Carpenter, pastor of the First Christian church, and Rev. V. C. Carpenter, of Porto Rico, who, with his family, returned to the United States to be in attendance.

The house was prettily decorated in white hydrangeas, the color being in direct line of the costume of the attractive bride, which was a suit of white silk and georgette hat, with ostrich plumes.

A tinge of color, offered by a corsage of beautiful and pink roses, seemed to fade into the depths of the snowy white gown, only to cast a faint and beautiful reflection upon the cheek of the bride.

Little Miss Catherine Carpenter, of Raymont, Porto Rico, and Eleanor Carpenter stood with the bridal party.

Directly after the ceremony, the happy bride and groom departed for Cincinnati and other places, among which will be a month on the Great Lakes, after which they will go to Columbus, Ohio, where they will make their future home.

Installed in a DAY

—and SAVES YOU OVER 1/3 ON YOUR FUEL BILLS

You can revolutionize the HEATING SYSTEM of your house in ONE DAY.
 No mussing up of your living quarters, either! By installing a MOORE'S Pipeless Furnace in your basement and cutting ONE opening in the floor above it, your whole house is heated by JUST ONE FIRE. And you get better heat with less labor and over one-third less fuel.

Moore's Pipeless Furnace

MOORE'S SELF-CLEANING RADIATOR automatically drops the dust back into the fire-pot, so that the heating surfaces are always clean and can, for this reason, deliver all of the heat in the fuel.

The **LARGE MOISTURE PAN** located in the most effective place keeps the indoor atmosphere properly moistened for the requirements of good health, which only a warm air system can do. It insures a healthful, warm atmosphere in every room of the house and even in the open halls.

MOORE'S Pipeless Furnace has ALL of the most approved features—many of which are exclusive with it. The **GRATE** is of the most approved design of revolving bars, operating in pairs by means of a detachable crank. It is very easy to operate and most efficient in cleaning the fire of all accumulated ashes. The **ASH-PIT** is wide and of large capacity, so that choking of draft is almost impossible. In fact, the **MOORE'S Pipeless Furnace** is the Simplest System of Heating known.
